

# Pipe Camera Skids & Sleeves

The Ratech pipe camera skids are specially designed to increase productivity and increase camera performance.

The skids can be adjusted quickly and easily to different sizes to meet your pipe inspection requirements.

Using these retro-fit skids, pipes from 6-12" can be inspected. A valuable option to have in your toolbox.

Let us custom design a skid for whichever pipe camera brand you own using our state-of-the-art CNC in-house machine shop.

#### Warranty

One year parts and labor against defects in manufacturing. System must be returned to factory for warranty repairs. Damage caused by user or carrier will not be covered under Ratech's standard warranty.
